

On February 26, 2020, the CCM issued a [press release](#) on childcare, arguing action on child care in Manitoba was needed, not more consultant studies.

The Report Card on childcare was based on the important [2016 Commission on Early Learning and Child Care report](#).

Child Care
Coalition of
Manitoba

The State of

	2016	
Wait list	12,729 children	over c
Access rate: number of spaces per 100 children 0-12	18.1%	
Percentage of low-income families who receive a subsidy	23.7% of regulated users or 8,121 children	of regu 6,44
Annual operating	Infant: \$11,375	\$
